## The Emergency Food Assistance Program (TEFAP) eligibility and faith community resources

We are exploring various ways to strategically and significantly increase the funds GMCC's and MFS have in the food fund to distribute to participating food shelves. We are doing this by exploring deeper and broader engagement of faith communities, discussing a potential legislative appropriation, and talking to partners about joint fundraising efforts. The information you give us in this quick survey will help us make progress in securing additional funds.

### **Are you currently a TEFAP registered food shelf?**

- Yes
- No
- Unsure

### **If you are not a TEFAP food shelf, why not?**

### **Do you receive an annual allocation of funds through the Minnesota Food Shelf Program (through Hunger Solutions/the Food Group)?**

- Yes
- No
- Unsure

### **If so, how much?**

### **Does your food shelf work closely with any faith communities? If so, which communities or organizations, and how many?**

### **If answered yes above, what does this work look like?**

### **Would you have the capacity to connect to a specific faith community to help increase funds raised for your March Campaign?**

- Yes
- No
- Unsure
